One of the flashiest and most gifted wrestlers in America, Nate was a three-time NCAA champion at Iowa State University. He comes from a long line of wrestling brothers, as his older brother Jimmy made the 1972 Olympic team as a senior in high school, and brothers Fletcher, Joe and Michael were All-Americans in college.

He was the alternate to the 1984 Olympic team. Nate pulled off a major victory at the 1986 World Cup when he defeated world champion Raul Cascaret of Cuba. He won the National Open in 1988 after moving back to 149.5 pounds.
